RE: Docket Number 98P-0151/CP1

January 9, 2001

Dear Madam or Sir:

This letter is in reference to Docket Number 98P-0151/CP1, which would prohibit federal programs from purchasing meat from downed cows.

Not only is meat from downed cows dangerous for consumption, but it encourages even laxer standards in an already abusive industry.

**GRANT PETITION 98P-0151/CP1 TO PROHIBIT THE
SLAUGHTER OF DOWNED ANIMALS.**

Sincerely,

J. Natowitz
